Notice is given that one or more members of the Board of Directors of the Central Texas Groundwater Conservation District will attend a meeting on August 19, 2008 at 7:00 p.m. at the Burnet Community Center, 401 E. Jackson St. in Burnet, Texas.

The Central Texas Groundwater Conservation District and the Burnet County office of Texas AgriLife Extension Service is providing an educational program on rain water harvesting and water well health & safety.

The purpose of this meeting is to provide information about design and construction of rain water harvest systems and new water well construction. The program will also include the use of the Texas Water Development Board Water Information Integration & Dissemination (WIID) system and how to file a complaint about an abandoned well.

Although there may be a quorum of the Central Texas Groundwater Conservation District Board of Directors present, no decisions by the Board of Directors will be acted on.

Certification: I, the undersigned authority, do hereby certify that on August 14, 2008 at or before 5:00 PM, I posted and filed the above notice of meeting with the Burnet County Clerk's office and also posted a copy in the hallway of the Burnet County Courthouse in a place convenient and readily accessible to the general public at all times. I also certify that a copy of the notice was posted on the door and on an outside window of the District office and that they will remain so posted continuously for at least 72 hours preceding the scheduled time of said meeting in accordance with the Texas Government Code, Chapter 551.

Richard S. Bowers, General Manager
Central Texas Groundwater Conservation District
