

**NOTICE OF ISSUANCE OF PROPOSED PERMITS AND OF HEARINGS ON APPLICATIONS FOR OPERATING PERMITS FOR EXISTING WELLS AND GRANDFATHERED USE PERMITS OF THE CENTRAL TEXAS GROUNDWATER CONSERVATION DISTRICT**

Notice is hereby given that the General Manager of the Central Texas Groundwater Conservation District (“District”) has determined applications are administratively complete and conducted a technical review of applications, has issued Proposed Permits, and has prepared recommendations for consideration by the Board of Directors (“Board”) for the following applications for Operating Permits for an Existing Well or Grandfathered Use Permits as set forth in Sections 3.50 and 3.53 of the District’s Rules and in consideration of the applicable criteria of the District’s enabling act, Chapter 36 of the Texas Water Code, and the District’s rules. A preliminary hearing on each proposed permit will be held on Friday, February 3, 2012 at 9:30 a.m. at the District’s office at 225 South Pierce, Suite 104, Burnet, Texas 78611, in accordance with the District’s rules. Each proposed permit and its underlying application will be available for inspection at the District’s office.

The District’s Board of Directors may deny or grant in full or in part a permit application, and issue a permit in any amount less than, equal to, or exceeding the amount claimed in the application, based upon the evidence received at the hearing and notwithstanding the General Manager’s recommendation.

In order to protest the General Manager’s recommendation or request a contested case hearing on an application, the applicant or an affected person, in accordance with District Rule 7.60, must: (1) submit in writing a contested case hearing request so that it is received by the District prior to February 3, 2012; or (2) appear before the Board at the preliminary hearing and oppose the application or recommendation. Written requests received after the deadline will not be considered timely filed, and will not be further processed by the District.
