APPLICATION FOR LAWN IRRIGATION SYSTEM PERMIT

Wells must be registered with the District before a Lawn Irrigation System Permit will be issued. If you do not have a Well Registration Certificate on the well that will be associated with this system, contact the District or go to the District Website www.centraltexasgcd.org for applications for well registration.

- Complete one application for each well supplying water to a lawn irrigation system installed after September 1, 2009 or for which ownership of the well supplying groundwater to the system changes after September 1, 2009.
- Deliver the application to the District.
- The District will review the application and a permit for the system will be issued and mailed to you.
