## Adopt-A-Barrel Campaign

Please stop by the Adopt-A-Barrel site at the event to make a donation so that we may continue to provide the citizens of Burnet County with this important service.

### This event is possible with the support of these partnering organizations:

Burnet County • Burnet • Marble Falls • Bertram • Meadowlakes • Cottonwood Shores • Granite Shoals • Highland Haven • Horseshoe Bay • Capital Area Council of Governments • Progressive Waste Solutions • Central Texas Groundwater Conservation District • Pedernales Electric Cooperative • Stericycle • Goodwill of Central Texas • H & H Oil • Reliable Tire Disposal • Interstate Batteries • Burnet County Community Services Restitution Program • 33<sup>rd</sup>/424<sup>th</sup> Judicial Districts Intermediate Sanction Facility

**THANK YOU for participating in Burnet County's Recycling Program!**

- ✓ Every aquifer in Burnet County has a local recharge area that is a direct pathway for fresh water as well as potential contaminants to enter.
- ✓ Do you know that 1 gallon of used motor oil can contaminate 1 million gallons of fresh water?
- ✓ Recycling your waste helps preserve groundwater quality - it is difficult and very expensive to clean contaminated groundwater.
- ✓ Do you know that over 50% of the people in Burnet County are dependent upon groundwater for their homes?

**The mission of the groundwater district is to protect and enhance the groundwater resources of Burnet County. We adopt and enforce rules to protect groundwater users and also to maintain the economic vitality of the communities we serve.**
