

**Central Texas Groundwater Conservation District
Notice of Permit Application Hearing**

Notice is hereby given that an application for a new well has been determined to be administratively complete. The Permit Application and this notice are in accordance with District Rule 3.62 Operating Permit for New Wells (c) Smaller Wells.

Specific Information

Applicant: David Leitch, P.O. Box 372, Bertram, Texas 78605

Address of well location: 7011 CR 330, Bertram, Texas

Annual Production: 10 acre feet Pumping Capacity: 25 gallons per minute

Purpose of use of the water: Irrigation

Operating Permits issued pursuant to § 3.62 (c) are issued with authorization to drill, complete, and operate a new, non-exempt well proposed to produce 10 acre-feet of water per year or less, or that will have a maximum capacity of 50 gallons per minute or less, may be issued as a single permit, in the form of an Operating Permit.

Action by General Manager

It is the intent of the General Manager to recommend approval of the Permit Application to the Board of Directors at a properly noticed Board Meeting/Permit Hearing 9:00 a.m. on Friday, July 15, 2011.

Protest Application

At any time before or at the Friday, July 15, 2011 Permit Hearing an affected person may formally protest the application by submitting a contested case hearing request using the procedures provided for in Section 7.60 of the District Rules.

Information

For specific information about the permit application or submitting a contested case hearing request, contact the District at 512-756-4900 or 225 S. Pierce, Suite 104, Burnet, Texas www.centraltexasgcd.org.

Certification: I, the undersigned authority, do hereby certify that on June 28, 2011 at or before 5:00 p.m., I posted and filed the above notice with the Burnet County Clerk's office and posted a copy in the hallway of the Burnet County Courthouse in a place convenient and readily accessible to the general public at all times. I also certify that a copy of the notice was posted on the door and on an outside window of the District office and that they will remain so posted continuously preceding the scheduled time of action on the said Permit Application. I also certify that a copy of this Notice has been scheduled to be published in a newspaper of general circulation in the District no less than 10 calendar days before action on the said Permit Application. This Certification is in accordance with the Central Texas Groundwater Conservation District Rules §3.66.

Richard S. Bowers, General Manager
Central Texas Groundwater Conservation District
