

**CENTRAL TEXAS GROUNDWATER CONSERVATION DISTRICT ("District")
NOTICE OF HEARING ON APPLICATIONS FOR PERMITS**

NOTICE: the General Manager of the District has determined following application(s) are: administratively complete; conducted a technical review of applications; and, prepared recommendations for consideration by the Board of Directors ("Board") for the following applications: A preliminary hearing on each proposed permit will be held on Friday, August 19, 2016 at 9:00 a.m. at the District's office at 225 South Pierce, Suite 104, Burnet, Texas 78611, in accordance with the District's rules. Each proposed permit and its underlying application is available for inspection at the District's office.

The Board of Directors may deny or grant in full or in part a permit application, and issue a permit in any amount less than, equal to, or exceeding the amount claimed in the application, based upon the evidence received at the hearing and notwithstanding the General Manager's recommendation.

In order to request a contested case hearing on an application, the applicant or an affected person, in accordance with District Rules must provide the District with a written request for a contested case hearing seven (7) days before the date of the intended action stated in this notice. Written requests received after this deadline will not be considered timely filed, and will not be further processed by the District.

Application No: OPA- 16011401

Applicants Name & Address: Capitol Aggregates, Inc., P.O. Box 33240, San Antonio, TX 78265

Location Of Well(s): 719 CR 121, Marble Falls, Texas & 6075 Hwy. 281, Marble Falls, Texas

Pumping Capacity: 50 gpm & 650 gpm

Purpose Of Use: Industrial/Quarry Operation
