

**NOTICE OF MEETING AND PUBLIC HEARING OF THE CENTRAL TEXAS
GROUNDWATER CONSERVATION DISTRICT**

Notice is hereby given that the Board of Directors of the Central Texas Groundwater Conservation District (“District”) will hold a Regular Board Meeting and Hearing on Proposed Desired Future Conditions on Friday, January 22, 2021 at 9:00 a.m. at the **Texas Agrilife Extension Auditorium, 607 North Vandever Street, Burnet, TX 78611. The entrance will be the single glass door located on the south side of the building closest to the parking lot.** The following items of business will be discussed, considered, and potentially acted upon by the Board of Directors: (see footnote 1)

AGENDA

1. Call meeting to order and establish a quorum.
2. Public Hearing. In accordance with Texas Water Code section 36.108, the District will receive public comment at a hearing on the proposed Desired Future Conditions (DFCs) of groundwater resources located within Burnet County and the surrounding areas located within Groundwater Management Area (GMA) 8. The proposed DFCs approved by the district representatives of GMA 8 for the Trinity, Ellenburger-San Saba, Hickory and Marble Falls Aquifers are described in terms of total average drawdown in water levels measured in feet from January 1, 2010, through December 31, 2080. For the District, the relevant proposed DFCs include the following at the District-wide scale:
 - The average drawdown of the Glen Rose layer (part of the Trinity Aquifer Group) in the District should not exceed approximately 2 feet from 2010 through 2080.
 - The average drawdown of the Travis Peak layer (part of the Trinity Aquifer Group) in the District should not exceed approximately 19 feet from 2010 through 2080.
 - The average drawdown of the Hensell layer (part of the Trinity Aquifer Group) in the District should not exceed approximately 7 feet from 2010 through 2080.
 - The average drawdown of the Hosston layer (part of the Trinity Aquifer Group) in the District should not exceed approximately 21 feet from 2010 through 2080.
 - The average drawdown of the Ellenburger-San Saba Aquifer in the District should not exceed approximately 12 feet from 2010 through 2080.
 - The average drawdown of the Hickory Aquifer in the District should not exceed approximately 11 feet from 2010 through 2080.
 - The average drawdown of the Marble Falls Aquifer in the District should not exceed approximately 11 feet from 2010 through 2080.
3. Public Comment (See footnote 2).
4. Consider and/or action on Annual District Audit FY2019-2020.
5. Consider and/or action on Minutes of the Regular Board Meeting held December 18, 2020.
6. Consider and/or action on Expenditures for December 2020; Review of 2020-2021 Budget; Budget Line Item Adjustments; and Quarterly Report on Investments.
7. Consider and/or action on Responses to Request for Qualifications for Professional Services Related to Development of a Groundwater Data Management and Integrated Mapping System.
8. Consider and/or action on Consultant Review for Burnet County Water Availability Reports.
9. Consider and/or action on Determination of Drought Stage. – Paul Babb
10. Manager and/or Staff Report and Update on the following: (See Footnote 3)
 - a. Well Registrations & Permitting
 - b. TAGD Amicus Brief
11. Director’s Comments. (See Footnote 3)
12. Identify agenda items for next Board Meeting.
13. Set next meeting date.
14. Adjournment.

The Central Texas Groundwater Conservation District is committed to compliance with the Americans with Disabilities Act (ADA). Reasonable accommodations and equal opportunity for effective communications will be provided upon request. Please contact the District office at 512-756-4900 at least 24 hours in advance if accommodation is needed. Footnotes:

1. At any time during the meeting and in compliance with the Texas Open Meetings Act, Chapter 551, Government Code, Vernon’s Texas Codes, Annotated, the Central Texas Groundwater Conservation District Board may meet in executive session on any of the above agenda items for consultation concerning attorney-client matters (§551.071); deliberation regarding real property (§551.072); deliberation regarding prospective gift (§551.073); personnel matters (§551.074); and deliberation regarding security devices (§551.076). Any subject discussed in executive session may be subject to action during any open meeting.
2. Citizens who desire to address the Board on any matter may sign up to do so prior to the meeting. Public comments will be received during this portion of the meeting. Please limit comments to 3 minutes. No discussion or final action will be taken by the Board.
3. Comments will include activities and issues pertinent to the organization of the District and management of groundwater within the District, including, but not limited to, current events in the District involving groundwater, wells, and state or regional developments related to water management.

Certification: I, the undersigned authority, do hereby certify that on January 15, 2021 at or before 4:00 p.m., I filed the above notice of meeting with the Burnet County Clerk’s office for posting in the hallway of the Burnet County Courthouse in a place convenient and readily accessible to the general public at all times. I also certify that a copy of the notice was posted on the door and on an outside window of the District office and that they will remain so posted continuously for at least 72 hours preceding the scheduled time of said meeting in accordance with the Texas Government Code, Chapter 551.

Mitchell Sodek, General Manager

Central Texas Groundwater Conservation District

POSTED JANET PARKER
Burnet County Clerk
