

**CENTRAL TEXAS GROUNDWATER CONSERVATION DISTRICT ("District")
NOTICE OF INTENDED ACTION ON APPLICATION FOR PERMIT**

NOTICE: the General Manager of the District has determined the following application is administratively complete; conducted a technical review of the application; and made a preliminary determination for action by the General Manager on the permit. Each proposed permit and its underlying application is available for inspection at the District's office.

In order to request a contested case hearing on an application, the applicant or an affected person, in accordance with District Rules must provide the District with a written request for a contested case hearing seven (7) days before the date of the intended action stated in this notice. Written requests received after this deadline will not be considered timely filed, and will not be further processed by the District.
