

# Healthy Lawns and Healthy Waters

## Rainwater harvesting and turf management training May 4, 2023

Texas A&M AgriLife Extension Service's [Healthy Lawns and Healthy Waters Program](#) will host a residential rainwater harvesting and turf management training May 4, 2023 for Bell, Burnet, Coryell, Hamilton, Lampasas, Mills and Williamson Counties.

The free event will be in-person from 1:00 p.m.-5:00 p.m. and be held at the Texas A&M AgriLife Extension Office, 607 North Vandevener, Suite 100, in Burnet.

Attendees can RSVP [online](#) and may contact John Smith, AgriLife Extension Program Specialist, Bryan-College Station, at [john.smith@ag.tamu.edu](mailto:john.smith@ag.tamu.edu) or 979-204-0573 with any questions. Those who RSVP for the event will receive updates and materials related to the training via email. Everyone attending needs to register online.

The training is offered in collaboration with the Lampasas River Watershed Partnership.

Attendees can submit a soil test by picking up soil test bags and dropping off their soil sample and Urban Information sheet at the AgriLife Extension offices in Bell, Burnet, Coryell, Hamilton, Lampasas, Mills and Williamson Counties prior to or by one week following the meeting. Participants may also bring their soil sample to the training on May 4<sup>th</sup>.

The training will include information on how to understand soil test results and nutrient recommendations so residents can interpret results once the analysis is emailed to them.
