

**CENTRAL TEXAS GROUNDWATER CONSERVATION DISTRICT (“District”)
NOTICE OF HEARING FOR MANDATORY DROUGHT WATER REDUCTIONS**

NOTICE: the Board of Directors (“Board”) will hold a hearing to consider and possibly adopt mandatory drought water reductions for non-exempt permit holders in accordance with the District’s Drought Management Plan. A hearing on the mandatory drought water reductions will be held on Friday December 15, 2023, at 9:00 a.m. at the Hill Country Community Foundation Bldg. S.H. Reed Bldg., 402 E Jackson St, Burnet, TX 78611.

The Board may elect to impose mandatory reductions for permitted users up to a 15% decrease in the total annual permitted production volume for non-exempt permit holders effective January 1, 2024 until December 31, 2024, or until terminated. The Board will accept public comment on the proposed water reductions at the hearing. For information contact the District by phone at 512-756-4900, in person at 225 S. Pierce, Suite 104, Burnet, Texas , or visit the District’s website at www.centraltexasgcd.org.

Certification: I, the undersigned authority, do hereby certify that on December 5, 2023 at or before 4:00 p.m., I posted and filed the above notice of hearing with the Burnet County Clerk’s office for filing in the hallway of the Burnet County Courthouse in a place convenient and readily accessible to the general public at all times. I also certify that a copy of the notice was posted on the door and on an outside window of the District’s office and that it will remain so posted continuously, as required for the specific hearing type, immediately preceding the scheduled hearing.
