

CENTRAL TEXAS GROUNDWATER CONSERVATION DISTRICT (“District”)
NOTICE OF HEARING ON APPLICATION FOR PERMIT AMENDMENT

NOTICE: the General Manager of the District has determined the following application(s) are administratively complete, conducted a technical review of applications, and prepared recommendations for consideration by the Board of Directors (“Board”): A preliminary hearing on the proposed permits will be held on Friday February 23, 2024 at 9:00 a.m. at the District’s office at 225 South Pierce Street, Suite 104, Burnet, TX 78611, in accordance with the District’s rules. Each proposed permit application and its underlying application is available for inspection at the District’s office.

The Board of Directors may deny or grant in full or in part a permit application, and issue a permit in any amount less than, or equal to the amount claimed in the application, based upon the evidence received at the hearing and notwithstanding the General Manager’s recommendation.

In order to request a contested case hearing on an application, the applicant or an affected person, in accordance with District Rules must provide the District with a written request for a contested case hearing seven (7) days before the date of the intended action stated in this notice and appear before the Board at the hearing and oppose the application. Written requests received after this deadline will not be considered timely filed, and will not be further processed by the District.

Amendment to Operating Permit

Permit Number: OP-11102401-A

Applicants Name & Address:

Scimitar Partners L.P.

4699 S. Hwy 281

Lampasas, TX 76550

Well #2146 at 150 gpm, no changes

Purpose of use of the water:

Agriculture, Irrigation

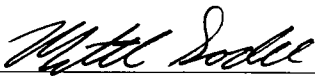

Recommendation by General Manager:

It is the intent of the General Manager to recommend amending the permit by an additional 30 acre feet for a total annual volume of 130 acre feet.

For information about a permit application or submitting a contested case hearing request, contact the District by phone at 512-756-4900, in person at 225 S. Pierce, Suite 104, Burnet, Texas, or visit the District’s website at www.centraltexasgcd.org.

These proposed permits, if issued as final permits, would authorize the permit holder to withdraw and beneficially use groundwater within the Central Texas Groundwater Conservation District according to the terms and conditions set forth in the permits.

Certification: I, the undersigned authority, do hereby certify that on February 9, 2024 at or before 4:00 p.m., I posted and filed the above notice of intended action with the Burnet County Clerk’s office for filing in the hallway of the Burnet County Courthouse in a place convenient and readily accessible to the general public at all times. I also certify that a copy of the notice was posted on the door and on an outside window of the District’s office and that it will remain so posted continuously, as required for the specific permit type, immediately preceding the scheduled action.

Mitchell Sodek, General Manager

Central Texas Groundwater Conservation District
