

CENTRAL TEXAS GROUNDWATER CONSERVATION DISTRICT (“District”)
NOTICE OF HEARING ON APPLICATION FOR PERMIT

NOTICE: the General Manager of the District has determined the following application(s) are administratively complete, conducted a technical review of applications, and prepared recommendations for consideration by the Board of Directors (“Board”): A preliminary hearing on the proposed permits will be held on Friday April 19, 2024 at 9:00 a.m. at the District’s office at 225 South Pierce Street, Suite 104, Burnet, TX 78611, in accordance with the District’s rules. Each proposed permit application and its underlying application is available for inspection at the District’s office.

The Board of Directors may deny or grant in full or in part a permit application, and issue a permit in any amount less than, or equal to the amount claimed in the application, based upon the evidence received at the hearing and notwithstanding the General Manager’s recommendation.

In order to request a contested case hearing on an application, the applicant or an affected person, in accordance with District Rules must provide the District with a written request for a contested case hearing seven (7) days before the date of the intended action stated in this notice and appear before the Board at the hearing and oppose the application. Written requests received after this deadline will not be considered timely filed, and will not be further processed by the District.

Quarry Pit Operating Permit

Permit Number: OP-24040101

Applicants Name & Address:

Texas Materials Group, Inc.
1320 Arrow Point Dr #600
Cedar Park, TX 78613

Address of pit location:

8147 US 281
Burnet, TX

Comments: The permit is for an existing quarry pit operation. No new wells or quarry pits are being requested at this time.

Aquifer: Ellenburger-San Saba

Requested Annual Production: 270 acre feet consumptive use

Pumping Capacity: A consumptive use engineering water balance calculation has been submitted.

Purpose of use of the water:

Commercial and Industrial

Recommendation by General Manager:

It is the intent of the General Manager to recommend a Quarry Pit Operating Permit for 270 acre feet per year.

For information about a permit application or submitting a contested case hearing request, contact the District by phone at 512-756-4900, in person at 225 S. Pierce, Suite 104, Burnet, Texas , or visit the District’s website at www.centraltexasgcd.org.

These proposed permits, if issued as final permits, would authorize the permit holder to withdraw and beneficially use groundwater within the Central Texas Groundwater Conservation District according to the terms and conditions set forth in the permits.

Certification: I, the undersigned authority, do hereby certify that on April 3, 2024 at or before 4:00 p.m., I posted and filed the above notice of intended action with the Burnet County Clerk’s office for filing in the hallway of the Burnet County Courthouse in a place convenient and readily accessible to the general public at all times. I also certify that a copy of the notice was posted on the door and on an outside window of the District’s office and that it will remain so posted continuously, as required for the specific permit type, immediately preceding the scheduled action.

Mitchell Sodek, General Manager
Central Texas Groundwater Conservation District
