

CENTRAL TEXAS GROUNDWATER CONSERVATION DISTRICT (“District”)  
NOTICE OF HEARING ON SPACING VARIANCE

**NOTICE:** the General Manager of the District has determined the following application(s) are administratively complete, conducted a technical review of applications, and prepared recommendations for consideration by the Board of Directors (“Board”): A preliminary hearing on a spacing variance will be held on Tuesday, September 17, 2024, at 9:00 a.m. at the District’s office at 225 South Pierce Street, Suite 104, Burnet, TX 78611, in accordance with the District’s rules. The proposed spacing variance request and its underlying application is available for inspection at the District’s office.

The Board of Directors may deny or grant the spacing variance request based upon the evidence received at the hearing and notwithstanding the General Manager’s recommendation.

In order to request a contested case hearing on an application, the applicant or an affected person, in accordance with District Rules must provide the District with a written request for a contested case hearing seven (7) days before the date of the intended action stated in this notice and appear before the Board at the hearing and oppose the application. Written requests received after this deadline will not be considered timely filed, and will not be further processed by the District.

**Spacing Variance Request for well #8739**

**Applicants Name & Address:**

Whitewater Springs Water Supply Corporation  
2312 Whitewater Drive  
Bertram, TX, 78605

**Address of Well Location:**

310 Murphy Drive, Bertram, Texas

**Comments:**

The well location does not meet spacing from property line

**Pumping Capacity:**

More than 17.36 gpm but less than 30 gpm

**Purpose of use of the water:**

Public Water Supply

**Recommendation by General Manager:**

It is the intent of the General Manager to recommend approval of the Spacing Variance Request.

For information about a spacing variance application or submitting a contested case hearing request, contact the District by phone at 512-756-4900, in person at 225 S. Pierce, Suite 104, Burnet, Texas , or visit the District’s website at [www.centraltexasgcd.org](http://www.centraltexasgcd.org).

These proposed permits, if issued as final permits, would authorize the permit holder to withdraw and beneficially use groundwater within the Central Texas Groundwater Conservation District according to the terms and conditions set forth in the permits.

**Certification:** I, the undersigned authority, do hereby certify that on August 30, 2024 at or before 2:00 p.m., I posted and filed the above notice of meeting with the Burnet County Clerk’s office for posting in the hallway of the Burnet County Courthouse in a place convenient and readily accessible to the general public at all times. I also certify that a copy of the notice was posted on the door and on an outside window of the District office and that they will remain so posted continuously for at least 72 hours preceding the scheduled time of said meeting in accordance with the Texas Government Code, Chapter 551.

Mitchell Sodek, General Manager  
Central Texas Groundwater Conservation District

**POSTED**

**Vicinta Stafford  
Burnet County Clerk**
